Second Supplementary Response to a Notice of Missing Parts

20 Attached to this *Second Supplementary Response* is a first *Supplementary Response* which was
made after Applicants' attorney made a status query concerning the above patent application and
determined that the application was still in Missing Parts even though a response to a Notice of
Missing Parts mailed 12/20/2000 had been filed 3/27/01 and had been received in the USPTO on
3/30/01, as evidenced by a stamped return postcard. On the occasion of the status query, Applicant's
attorney was instructed to fax the materials sent on 3/27/01 to 703-308-7751; Applicant's attorney
25 did so on 4/30/02. When Applicants' attorney then called again on 5/14/02, he was told that the fax
number the materials should have been sent to was 703-406-4060. Applicant's attorney is hereby
resending the material sent on 4/30 to 703-406-4060. Applicant's attorney respectfully requests that
the IPE Division record that Applicant has responded to the Notice of Missing Parts mailed
12/20/2000 and pass the application to the Examining Division.

Supplementary Response to a Notice of Missing Parts

When Applicants' attorney made an inquiry as to the status of the above application on 4/30/02, he was told that it was still in Missing Parts. A telephone call to that department revealed that the application was indeed still in that department. When Applicant's attorney said that he had filed a response to the Notice of Missing Parts on 3/27/2001, he was asked to fax his copy of the papers to the OIPE. This supplementary response provides the copies of the papers.

Applicants received a Notice of Missing Parts in the above patent application mailed 12/20/2000. What was lacking in the application was a declaration signed by one of the inventors: Jose A. Halperin. On 3/27/2001, they mailed a response to the Notice of Missing Parts using the Certificate of Mailing procedure; the response included a return postcard, which Applicants received with a stamp indicating that the papers had been received by OIPE on March 30, 2001. Attached to this *Supplementary Response* are copies of the filed papers from Applicants' attorney's file; the copies include:

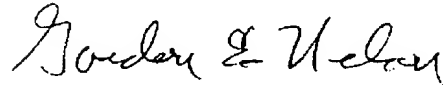

- the stamped return postcard;
- the return postcard as mailed and a copy of a check for \$260.00 to cover the \$65 surcharge and an extension fee of \$195.00;
- The Transmittal Letter for the papers, including the Certificate of Mailing dated 3/27/2001;
- The Fee Transmittal, with an authorization to charge additional fees to Applicants' attorney's deposit account;
- A petition for a 2-month extension of time;
- Three pages of declaration executed by the inventors, Kenneth H. Falchuk and Jose A. Halperin.

What is not clear from Applicants' attorney's file is whether a copy of the "Notice to File Missing Parts" was filed with the above papers; Applicants' attorney is now sending a copy to aid the OIPE in

matching the papers that were filed on 3/27/2001 with the application. The copy follows the copies of the papers that clearly were filed 3/27/2001.
